

# Download The Making Of Portuguese Democracy

This vividly-written book is the first comprehensive assessment of the origins of the present-day democratic regime in Portugal to be placed in a broad international historical context. Get this from a library! The making of Portuguese democracy. [Kenneth Maxwell] -- This vividly written book is the first comprehensive assessment of the origins of the present-day democratic regime in Portugal to be placed in a broad international historical context. It is written ...His research is sound and fairly comprehensive. And he chooses to organize his analysis around the failure of the Portuguese left, particularly the Communist party, to appropriate the post-revolutionary period and stand up to the rise of a moderate Socialist Party. This is exactly the focus to take in order to link post-colonial Portugal to the European Union that it embraced. His research is sound and fairly comprehensive.
