How Much Money Can I Make As a Day Trader? – Here we'll look at income potential for stock, forex and futures day traders. Let's face it, this is what traders and potential traders want to know—"How much money can I make as a day trader?"The stock (also capital stock) of a corporation is all of the shares into which ownership of the corporation is divided. In American English, the shares are commonly called stocks. A single share of the stock represents fractional ownership of the corporation in proportion to the total number of shares. A trader who expects a stock's price to increase can buy a call option to purchase the stock at a fixed price ("strike price") at a later date, rather than purchase the stock outright.
