

Download The Toddler Years Growth And Development From 1 To 4 Years

After the challenges of the baby's first year, many parents feel that things will settle down. However, just the opposite is normally true. After the first year and up to the age of four, toddlers bring with them numerous challenges for parents. This practical guide takes a holistic approach to the growth and development of toddlers. Written by doctors involved in both conventional and anthroposophic medicine, The Toddler Years deals with all aspects of child care through the age of four.
