

Download Verona In Juliet's Heart

Verona and Lake Garda Day Trip from Milan. Verona is rich in archaeological sites, with a beautiful medieval center. The Roman arena, where concerts and operas are performed in summer, is the city's grandest sight, but 'Juliet's balcony' is the principal point of interest for lovers of Shakespeare. Verona is one of Italy's most popular travel cities. Located between Milan and Venice, Verona is known as the city of Romeo and Juliet and for its Roman Arena but there are many attractions to see. Juliet's age. One aspect of the story which now seems problematic is Juliet's age. As the story occurs, Juliet is approaching her fourteenth birthday. Located in the most romantic place in the world, the Relais de Charme Il Sogno di Giulietta offers a dream holiday in Verona! At nighttime, our guests only can live and enjoy the magic and exclusive atmosphere of the Romeo & Juliet's Courtyard otherwise closed to the public and can stand right under the most famous Balcony in the world!
