When the Emperor was Divine is a historical fiction novel written by American author Julie Otsuka about a Japanese American family sent to an internment camp in the Utah desert during World War II. The novel, loosely based on the wartime experiences of Otsuka's mother's family, [1] is written through the perspective of four family members, detailing their eviction from California and their time in camp. Q: What was your inspiration for setting the novel, When the Emperor Was Divine, in the Japanese internment camps in the U.S. during World War II? A: Quite truthfully, I never set out to write a novel about the internment camps.
